VOLUME 72 1991-1992

MARINE CITY HIGH SCHOOL 1085 WARD STREET MARINE CITY, MI 48039

We, the yearbook staff of 1992, hope that throughout this yearbook we have captured what Mariner life is. Marine City High School is a school filled with spirit and pride, where hard work and dedication produce an environment in which learning and understanding can be achieved.

Marine City Ward-Cottrell High School was built in 1961 by Reb Construction and covered a total of 77,500 square feet. It now covers a total of 120,000 square feet due to the addition of a math wing in 1990.

Three of the original staff members still teach today and should be recognized for their dedication. They are Mr. Donald Chamberlain who teaches Government, Mrs. Sondra Gianettino who teaches Typing, and Ms. Kathryn Kimmet who is in guidance.

With the continued excellence of the teaching staff and the help of Alumni, graduating seniors, and underclassmen, the fine reputation of Marine City High School will continue throughout the years.

HOMECOMING 1991

Homecoming has always been one of the most exciting ways to start off the school year, and this year's Homecoming was no exception. It was a time full of fun and excitement for all who participated.

With Spirit Week beginning the events, students were given the chance to dress up, act crazy, and show their school spirit to the limit. Mariner spirit was also upheld to a large degree with the traditional Homecoming Court elections. At the annual pep assembly held on the Friday of the game, Ryan Pettinger and Jill Kowalski were crowned as the 1991 Homecoming King and Oueen.

The dance, which was held on the following night, seemed like, and was the perfect ending to the week. All who went could agree that it was definitely a night to remember.

A TIME TO REMEMBER HOMECOMING 1991

KING AND QUEEN

Jill Kowalski Ryan Pettinger

Homecoming is a special time to remember. One of the most memorable events of Homecoming is the Homecoming Court.

Attendants are chosen by their peers to represent their class. As finalists were chosen, the excitement grew. Everyone was curious to find out who would make the court. Finally the big day came, and at the pep assembly the 91 Homecoming Court was announced.

Being a representative of the Homecoming Court is one of the many things that will be a part of their memory at MCHS.

JUNIORS WORKING

Homecoming Parade

The building of the junior float took a lot of hard work and effort. It took long days to perfect the float. Several juniors pitched in their share and worked as a team in order

to get the float ready for the homecoming parade. The float took second place, it turned out really well. The juniors were happy that all their hard work assembling the float paid off.

WISTIN' THE

As the big day approaches, the excitement grows. There seems like so many things to do: what to wear, where you'll eat, how you'll get there, and what to do afterwards. When the big night finally arrived, all was pre-pared. The gym had never been so well decorated, and never have there been so many people there. As people danced the feelings of excitement, friendship, and ro-mance filled the air. For some, this Homecoming was a new experience, but for others it was part of a tra-dition. Whether it was freshmen seeing the excitement for the first time, or seniors realizing it would be their last, the Homecoming dance will remain in everyones minds. As we look back on this in the future, we will think of the past, and the fun. These special memories will never be forgotten, and shouldn't be either. The memo-ries of Marine City High School "twistin' the night away!"

"BETTER EAT YOUR WHEATIES"

Sophomores working

The sophomores this year had a lot of fun working on their float. They put in many hours and a lot of hard work. The result, a mariner coming out of a Wheaties box with the logo, "Wheaties, the breakfast of Mariners."

Mrs. Nelson was the sophomore class advisor this year. A lot of gratitude went to her.

Hopefully next year as juniors, when float time comes around they'll have the same great response and as much fun! Remember sophomores, you better eat your Wheaties!

Freshmen Working

The Freshmen worked very hard this year to put together their float. Despite their being the newcomers, they pulled together and received 3rd place on their float. The float consisted of the Energizer Bunny to prove the fact that the Mariners keep on going. Top Left: The Freshmen take time to put together signs for the Homecoming Parade. THE MEN IN BLACK

Homecoming Game

The Varsity football team put up a great fight against the Marysville Vikings this year at the 1991 Homecoming game. Although the Mariners lost it wasn't because of the lack of concentration or skill. The defense showed overpowering strength and the offense demonstrated good coordination. The team as a whole exhibited outstanding sportsmanship and spirit. The men in black are making great strides in the right direction.

From Left to Right: Top Row — Teammates celebrate after a touchdown has been scored. Middle Row — Mark McNeight concentrates on the next play of the game. The Parade

The parade took place a few hours before the big Homecoming game. Floats of each class, as well as sport teams, the Homecoming court, class officers and school clubs were represented.

Girls Have The Power

Powder Puff 91'

This year's Powder Puff game gave way to a new and exciting sport that just last year entered the eyes of many Marine City students. Whoever said that girls weren't supposed to get down and dirty obviously missed out on the homecoming week's excitement. On the day that the original game was scheduled, it got delayed due to terrible weather conditions. But that didn't put a damper on the anticipation that the junior and senior girls were experiencing. When the big day arrived, junior and senior rivalry was a big part of the days events, but in the end, both teams knew that it was all fun and games to treasure for a lifetime.

All in all, it was a great game for both teams. Each player participated their best efforts to win the game and we couldn't have done it without that great Marine City spirit. Score for the game was 26-24 with the juniors taking on the winning score. Seniors finished 0-2 in the Powder Puff classic having lost last year as juniors. Juniors will be back in 1991 with a 1-0 record.

BONFIRE '91

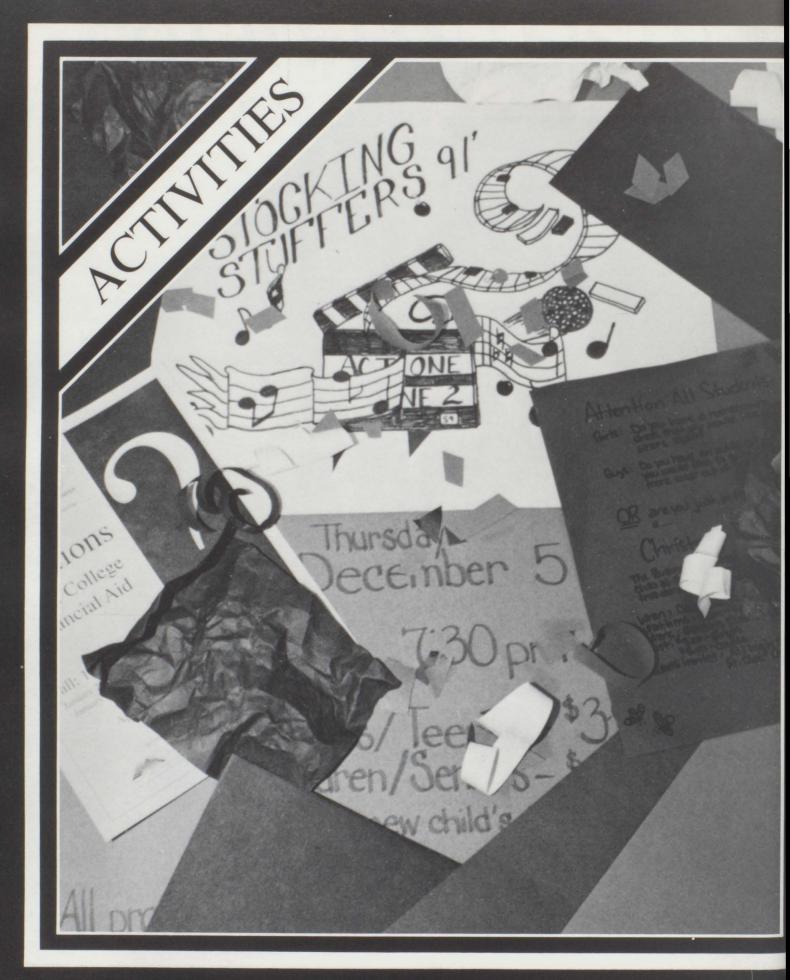

This year the bonfire was held on October 13th because of rain. It started out slow, with a lot of difficulties getting the fire going, but soon picked up with some high spirited cheers from the cheerleaders and football team. Roasting marshmallows and tossing Coach Scarcelli into the fire (almost) were only two of the memorable events that happened. Top left: Jessica Furtah, Ryan Pettinger, Jamey Zimmer and Chris Jehle are watching the fire being lit. Middle right: The football players are starting their big cheer. STUDENT GOVERNMENT

Student government is a very important organization in our school and being a member means more than just being part of an organization. It is truly an honor and a great chance for an individual to stand out and help the entire student body. The members of student government are elected by the students in his or her class, twenty members are elected in all and they in turn appoint five officers to lead them through the school year. This year's officers are: President Don Seibert, Vice President Chelle DeSynder, Secretary Michelle Osterland, Parliamentarian Cheri Paquette, and Treasurer Stephanie Zweng.

Each year the student government organizes several projects that benefit both the school and its surrounding community. The group does such things as organize two blood drives, make donations to local fund-raisers, buy materials for the school, organize dances, and help make our homecoming become a success. Along with these things the student government has also started two new projects that focus on the environment. The group collects pop cans from students, proceeds going to buy new material for the school. They have also started a school wide paper recycling program.

As you can see the student government is not just another club, it helps keep our school running smoothly.

THE LEADERS

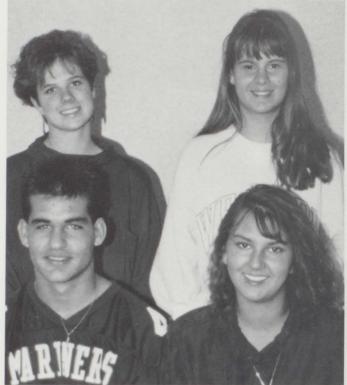

The Senior Class Officers

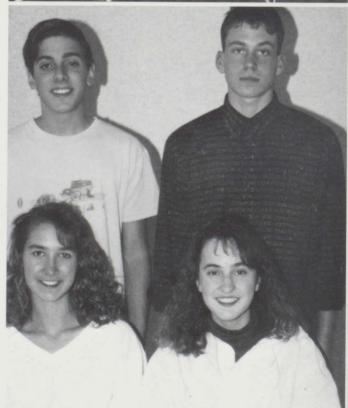

The Senior Class Officers of 1992 are responsible for organizing some of the most important events of our year. The officers being President Stephanie Leonard, Vice-President Ryan Pettinger, Secretary Amy Gorde, and Treasurer Stacey Justa are responsible for organizing the Seniors Homecoming float, which won first place in Homecoming competition. The officers are also responsible for starting the winter festival and, along with the senior class adivisors Mr. Cavis and Mrs. Burmann, are getting all of the seniors ready for.....Graduation!!!

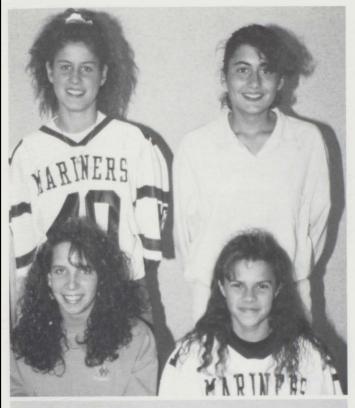

The 1992 Junior Class Officers; President John Orchard, Vice President Kristen Horvath, Secretary Tracy Dietlin, and Treasurer Joseph Dornoff have done a wonderful job this year of organizing the Junior Class Homecoming float. With the help of class advisors Mrs. Crimando and Mrs. Biebuyck they have also organized one of the best proms in Marine City history.

The officers did a wonderful job organizing there homecoming float, even though it took forth place. Without the help of Mrs. Nelson they would have never been able to pull it off.

The Freshmen Class Officers

The 1992 Freshmen Class Officers; President Sue Volkman, Vice President Patricia Morehead, Secretary Dustin DeSnyder, and Treasurer Renee Pettinger did a super job this year organizing the freshman class homecoming float. The help of their class adviser Mrs. Bell, had a great influence on their third place win.

The 1991 spring play was a big hit. The rock-n-roll trip back to the 50's proved to be one of the best plays that the people of Marine City High School have seen in a long time.

A lot of praise should be given to Mrs. Bell and also to Mrs. Schneider. The performance was excellent!

Cast and crew also did a fine job. Grease will be a play we will always remember!

Bye Bye Birdie

MOVE OVER SHAKESPEARE

Forensics

Forensics is a speech and drama competition. It is like a drama club, except strict rules make the events unlike a play. Areas that this year's students compete in include Dramatic Interpretation, Poetry, Children's story, Duo, and Sales. Other events in which students may compete in are Informative, Oratory (persuasive), Extemporaneous, Impromptu, and broadcasting categories.

This year's Forensics team is superb. At the Ford II competition, Brian Seibert made it to the finals, and Dorothy Skala made it to the semi-finals. Much more is expected from this outstanding group of students.

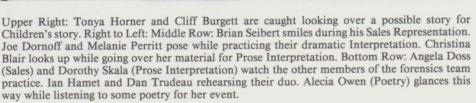

TAKING ACTION

S.A.D.D.

Marine City has a very active S.A.D.D. chapter, and this year's group was certainly no exception. Everyone tried their hardest to spread the message throughout the school and community — don't drink and drive!

The students planned many activities throughout the school year. During the holidays, the group sold candy canes and also participated in the annual Christmas parade. The size of the group increased greatly this year, and new members are always welcomed and appreciated.

The group is advised by Mr. David Scheel. The officers are: President, Jamey Zimmer; Vice-President, Dayle Achatz; Secretary, Amy Gorde; and Treasurer, Melissa Wuchte.

NATIONAL HONOR SOCIETY

The National Honor Society was founded by Edward Rynearson in 1921. It was started to recognize and encourage academic achievement, leadership, and character. To be in the NHS, you must keep your grade point average at 3.3 or higher, which is checked quarterly, and participate in extra-curricular activities.

The NHS holds different fund raisers each year. This year, the Thanksgiving food drive, held to provide local families with a Thanksgiving dinner, was very successful.

The NHS was different this year because it consisted not only of seniors, but also of juniors, adding to a grand total of 40 members. It was led by President Sarah Foster, Vice-President Theresa LaVere, and Secretary Jackie Trepanier. Mrs. Drews was the faculty sponsor and she worked very hard to make sure everything ran smoothly.

FOREIGN AFFAIRS

Exchange Students

Dear Mariners!

We think this is a perfect opportunity for us to thank all of you and tell you about our experiences here.

When we first came to your school, we were really surprised. All those classes to choose from, extracurricular activities and sports! During homecoming and pep assemblies you showed a lot of school spirit we are not used to. We found this at football games, when all the students and cheerleaders were encouraging their team to win. Cheerleading is a completely new thing to all of us, seen before only in American movies.

European school system is totally different from Marine City High School. We have 13 or 14 classes, which do not meet daily. You are not allowed to choose anything, everybody has the same subjects.

Of course being 4000 miles away from home is not easy, but we always have our host families to support us. It is really very important for us, so we would like to thank them.

Last but not least, we would like to thank all of you, Mariners, for being so friendly and helpful. We will really miss Marine City and the people when we go home.

Stocking Stuffers

This year the Drama Club did not just put on a play; they presented a variety show that offered something for everybody's taste. Classical music and poems, as well as rock and heavy metal, and of course songs and short plays that fit into Christmas time were performed. The Touch of Class choir also took the floor. Good News/Bad News

Mariner Log

Mariner Log staff this year worked hard to carry on the tradition of producing newspapers monthly. With the knowledgeable advisor Mr. Pasquantonio behind the group, Marine City knew that they would be sure to catch a good scoop on the latest news. Newspapers were sold for 25¢ and they were always a guaranteed fun reading experience. All in all, the newspapers gave us reliable news from some reliable minds.

HOOP IT UP!

9th Grade Boys Basketball

This year's 9th grade basketball team may look like it's off to a slow start, but actually they're not. This team has already won two games this season, that's more than others have accumulated in two years. With strong starters and a deep bench, they have good hope for the future.

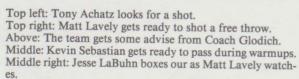

So far this season the leading scorer is Matt Lavely, although close behind him is Matt Griffor. Steve Walker is the team's top rebounder. Jesse LaBuhn, J.D. Hill, and Jonathon Phelan also contribute in starting roles.

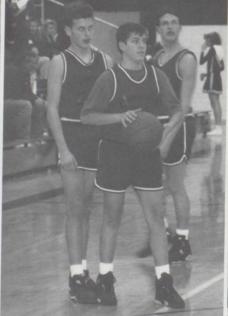

With hard work and dedication, the team has a good look for the future. "This team has shown incredible improvement already," Mr. Glodich said. If that much can be said about one season, we can look at the future with great hope.

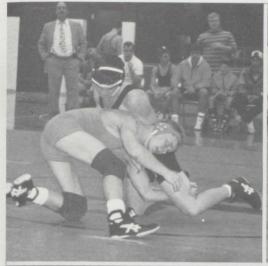

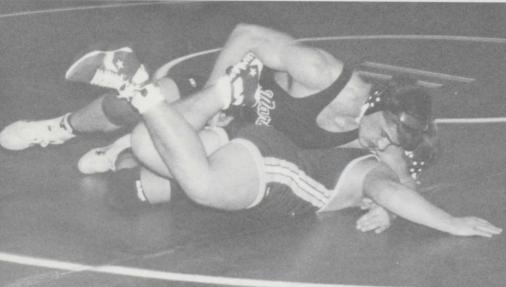

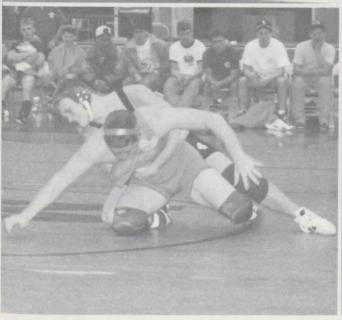

ONE ON ONE

Wrestling

Wrestling is both a team sport and an individual sport, and this year's team consisted of many hard-working and determined young men. Under coach Mike Bladow, the team excelled with strong challenges from other area teams. Countless hours of practice after school helped the Mariners as they wrestled through an aggressive season.

Bottom Row — Mr. Chamberlain shows us his serious look. Sarah Foster improves her tennis techniques.

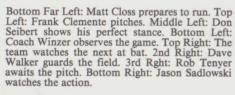

The J.V. tennis team was very dedicated and determined to make it a good year. J.V. tennis allows the players to sharpen their skills so they may be able to join the Varsity team in the future. Joining a tennis team creates individual performances as well as group efforts. You have to have good coordination to be part of a tennis team. Tennis is a hard working, goal achieving, skillful sport.

Varsity Baseball

The 1991 Varsity Baseball team was very successful. They posted an 8-4 league record and a 15-7 record overall. The baseball team was SCAL Co-Champions. The team was coached by SCAL Coach of the Year, Mr. Winzer. They were led by tri-captains Rob Tenyer, Mike Tranchida, and Dave Walker. Many players earned league and district honors. The most improved player was Damon Kroetsch, the most valuable players were Rob Tenyer and Mike Tranchida, and the most spirited player was Jason Sadlowski. The baseball team had an excellent season and next year's team shows great promise.

The Freshman class. What's it all about? New faces and friends? Perhaps, but making it through their first year at the High School went pretty steady. Surprisingly, they got involved in the Mariner Spirit and proved that even Freshman could have fun. They gave Marine City something to hope for in the future High School years. Whether it was the pep assembly or homecoming festivities, they realized they must make their mark and get involved with their upperclassmen. All in all, the first year for the class of '93 was very successful.

Sophomores enjoyed Homecoming this year. Starting off the celebration was spirit week. People dressed up in their beach attire, pajamas, hippie clothes, and orange and black best. Next was the Pep Assembly where the sophomores took first place in games. The highlight for the sophomores, beating the seniors in the tug of war. Way to go sophomores!

RIENDS

As our junior year comes to close, we all are waiting for the year 1993 to arrive, for that will be our last year together.

We will have so many memories of friends, family, Homecoming, dates that were a total bomb, and all the wild and crazy weekends.

We only have one last year together then everyone will go their separate ways. The class of 1993 is the greatest so let's make our last year the best ever!

HELPING HANDS

Custodians

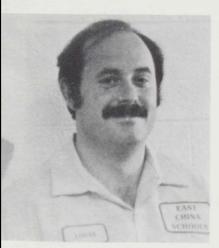

The custodians at Marine City high school work hard to keep the school squeaky clean. So the students have a clean desk to do their work on, cafeteria tables to eat off of, hallways to walk through, and bathrooms to use. When your lockers are jammed they come to your service. It if wasn't for the custodians we wouldn't have a clean, graffiti-free school to get an education in. The custodians are a big help to this school.

JOB WELL DONE Yearbook Seniors

Being the editor of our yearbook has been a very challenging and educational experience for me. It was one of the hardest things I had to do both my junior and senior years. You realize that satisfying the entire student body is impossible to do, but after you iron out the wrinkles you start having fun with the whole process.

I am lucky to have a great staff and we have had some great times producing these yearbooks, and because things around us can change so quickly it is very important to catch these memories when you can,

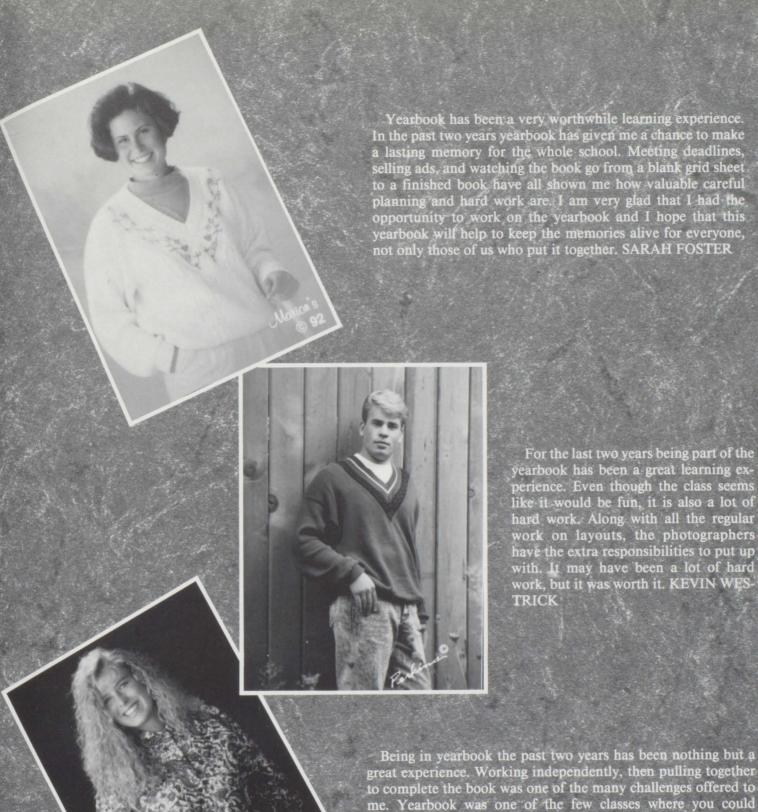

I have enjoyed the experience and hope that we have captured some of your fond memories of the year also. AMY GORDE

No one in high school could have ever taught me as much as my past two years on the yearbook staff have. Taking the responsibility of something that will reflect on the entire school is a great challenge. With both of these as a factor, I've put my heart into each layout. Hopefully reflecting a little bit of everyone in each of them.

I've been very lucky to have the experience of working on a dedicated staff. Even though things got a little crazy sometimes, we always managed to pull something together. This taught me the dedication, responsibility, hard work, and pride it takes to make a yearbook. Contradicting popular belief, it is not all a bunch of fun and games. The fun is what you make of it. (Also how calm you can remain while others stress-out).

The past two years of yearbook have been rewarding to me. I wouldn't trade the experience for anything. I only hope I was able to give the future a taste of each of us through the pages I've created. STACEY JUSTA

Being in yearbook the past two years has been nothing but a great experience. Working independently, then pulling together to complete the book was one of the many challenges offered to me. Yearbook was one of the few classes where you could actually see your accomplishments, and feel you have actually achieved something. These past two years working on the yearbook, has shown me a great amount of responsibility. Being able to work on my own, stay after school for hours, and also meeting deadlines has added a great amount of memories to my high school years. I hope you enjoy this yearbook as much as I enjoyed making it possible. SARAH OSTERLAND

JILL KOWALSKI-

To Jill with love:

Pigtals and loose teeth are from days of old, God only knows what your future may hold. May He watch over you, when you are not near, and remember that we will always be here. To love you, to guide you, and help you get thru, so that you can made all your dreams come true. As you come to those forks in the road and must choose, just use your head, and you never will lose. For you've proved to us you deserve all our trust, and our hearts are so proud, they surely will bust. From recitals, and theatre, and being on the team, we never smiled more, than when you were the queen. Remember the past, hold it close to your heart, and use your experiences to get a great start. We've had lots of fun, just watching you grow, and now time has come, and it's hard to let go. But we know you'll be fine, so we'll try really hard, is this starting to sound like another Hallmark Card? We got carried away, but there's so much to say, writing about our thoughts, and your graduation day. So we'd better end this now, before we get to page two, ther's just one more thing to say, "WE ALL LOVE YOU!" Mom, Dad and Kimmi

NICOLE JACKSON-

Children see the world in part not as a whole, This is especially true, of my daughter Nicole.

My beautiful daughter Nicole.

Her love for me shows though her temper enrages Our eyes will meet, and love engages.

A night does not pass without a kiss As you grow Little Girl, this I will miss.

A night on the town dressed in heels and fur Remember Nicole?"when we went to Chuck Muer"

I sat by a beauty that Saturday night Several times my eyes teared, my throat became tight.

"You're very beautiful," I said, Nicole wiggled and squirmed, then turned a bright red.

Dressed fit to kill in diamonds and gold Still a child was there, not very old.

Cracking the lobster, and dancing the claw. Laughing "Feed me, Feed me." A monster she saw.

Please remember this night in "88". When being with your mother was "Better than a date."
